

Florida Babe Ruth/Cal Ripken Baseball Team Drop Out Formula

Seven (7) days before a tournament begins, if a team drops out, the following is used to redo the bracket:

1. Each team moves down one slot using the next size bracket. For Example: If Team 2 drops out of an **8-team** tournament, Team 7 gets the bye and all other teams move down one slot. The Host cannot have the bye.
2. If Team 2 drops out of a **7-team** tournament, Team 7 moves to the Team 1 spot and Team 1 moves down to the Team 2 spot.

Three (3) days before a tournament begins, if a team drops out, those games are counted as forfeits. Brackets will not be redrawn.
